We are a DGR (Deductable Gift Recipient), donations \$2 and over apply

April/May/June/July 2023

Presidents Report:

June has been a particular social month for our Co-ordinators Sally and I.

We were invited to the annual change over dinner of Lions South on 3rd June at Bowls Club South Side. It was a wonderful evening attended by both Gympie State and the Federal MP as well a few local Gympie Shire Councillors.

The Lions members were all very welcoming and I was able to also catch up with President of Lions South - Robert White. We had attended Primary and High school together and had not seen each other for a long time, so there was a lot of catching up to do. Lions South had a particularly busy year fund raising and Gympie Medical Transport was recipient of a generous donation. I accepted this donation on behalf of GMT and identified that this donation would contribute to the ever-increasing fuel account.

Thankyou Bev Goodall

Donations

Thankyou to:

The Quota Club of Gympie for their kind donation in recognition of our support to the community.

GMT has also received other donations totalling \$5,040. This is very much appreciated and will go towards supporting our organisation.

Our new replacement car, Car 4.

Lions South change over dinner

Fundraiser—Morning Tea

Tuesday 6th June saw the Co-ordinators out and about again at a High Tea. Maree Jocumsen and Denny Holman hosted the event at their beautiful home. Over 50 guests attended the event and were given the most spectacular morning tea of savoury and sweet delicacies, all served on the most exquisite crockery from the lady's private collection.

Sally spoke to the group about GMT, how it has evolved, and she identified that the success of GMT was related to the wonderful group of volunteers who have been attracted to the service, to drive and assist with office work.

Joyce Westlake spoke about how she uses the services and how wonderful it was. She appreciated the personalised door-to-door service and thought all the office staff were just lovely and happy to help organising her transport.

Both Bev and Sally enjoyed catching up with all the guests, including individuals they had worked with at Gympie Hospital. Several memories and laughs were shared.

The group participated in several raffles which resulted in another significant donation to GMT.

The morning was such a success, there is talk of another event in the latter part of the year.
